Job Description

Cambodian Mercantile Exchange PLC

Cambodian Mercantile Exchange Plc, Kingdom's 1st commodity exchange, is seeking to develop the system of storage of non-perishable commodities to store and enhance the supply chain mechanism in effective manner. We being the marketplace for the commodities, we are looking for the public participation in storage facilities with the effective storage participation by the farmers and the merchandisers.

We are seeking proposals from financial institutions, other reputed institutions to manage and operate the warehouse for the storage of the commodities. Intended institutions are requested to submit the proposals with the following details:

- 1.0 Place and capacity of warehouse.
- 2.0 Technical specifications of warehouse.
- 3.0 Procedures to be followed to maintain the quality of commodities in warehouse.
- 4.0 Storage charges including insurance.
- 5.0 Grading and sampling method of commodities for the storage.

As we are planning to enhance the market and supply chain mechanism for the agro products, to bring the change in basic concept of agro industry in the Kingdom, it's been requested that the proposal should reach to us within 30th April, 2010.
